5. Is this course designed for a specific group? Yes  Who? 4th semester BSN students

6. Catalog Description: ☐ Now in Print, or ☑ Proposed Below:
   This course will allow the student to select a clinical area of interest and have an intensive didactic and clinical experience. The clinical component will focus on leadership and/or advanced clinical skills. Prerequisites: NURS 4020, NURS 4040, NURS 4041 and acceptance into the BSN program. Course is variable credit from 4-6 credits. 1 lecture and 9-15 clinical hours per week.

7. Course justification (attach sheets if needed):
   Offering variable clinical credits for this course will provide students the opportunity for a more intensive advanced clinical experience as they desire. In addition, students who may be lacking the required 41 upper division credits for graduation will be allowed to complete those credits through this course. The proposal is to allow variable credit from 4-6 total credits. LEC would remain at 1.00. Clinical would vary from 3-5 credits. Catalog description also modified to include description of variable credits and hours

8. Are library resources adequate to support this change? Yes  If not, how are those resources to be acquired?

9. Are technical and other resources available? Yes  If not, how are those resources to be acquired?

10. Relationship to the curriculum: Would the course fill a G.E. requirement? No  If yes, which G.E. area?  If it does not fill a G.E. requirement, would the course offer elective credit? Yes

11. Transferability of the course: List comparable courses at other colleges and universities:
