CHEM 1220 and lab (CHEM 1225) required as prerequisites. 4 lecture hours per week.

7. Course justification (attach sheets if needed):
   As we consider the possible explosion of students desiring to take CHEM 2310/2320, we might be wise to restrict registration to those who have passed CHEM 1210 and 1220 with at least a C-. It makes sense to give the space to the students most likely to succeed.
