6. Catalog Description: ☐ Now in Print, or ☑ Proposed Below:
   This course is designed for musicians participating in the pit orchestra used for musicals and other theatrical productions each semester. Students should have previous experience playing in high school orchestra and/or band. Student musicians work with faculty in preparation the score for these productions. Three lecture hours per week.

7. Course justification (attach sheets if needed):
   Currently the class meets only one hour and forty minutes a week which is not sufficient to prepare adequately for the productions. It is proposed that the meeting time for this course be increased to two hours and thirty minutes a week. This will free up that time for the Symphony to meet during that hour Th, and F and spread out the class throughout the week and avoid missed class when school breaks occur on those days.
