6. Catalog Description: ☐ Now in Print, or ☑ Proposed Below:
   Required prerequisite course for both the Elementary Education degree and the Secondary Education Teaching (SET) program. Provides an overview of vocational aspects of a teaching career including: certification requirements, foundations of education, current and historical issues in education, an overview of current trends in methodology, and classroom management. This class provides students with an opportunity to assess oneself as a prospective teacher. Various teaching methods are used including lecture, cooperative learning, inquiry methods, direct instruction and mastery learning. Students are required to do two full observation days in local K-12 school settings. 3 lecture hours per week.

7. Course justification (attach sheets if needed):
   As we engage in the process for national accreditation of our program, we have reviewed all course descriptions and revised them to more accurately represent what is being taught, and to have a more consistent format.
