5. Is this course designed for a specific group? Yes
Who? Those students admitted into the DSC Elementary Education program

6. Catalog Description: □ Now in Print, or □ Proposed Below:

Required for all Elementary Education students. This course develops the knowledge, skills and dispositions necessary to teach healthy lifestyles and physical education to elementary-ages children. The purpose of the course is to enable prospective teachers to plan, implement and evaluate lessons that address healthy lifestyles and physical education objectives of the curriculum for elementary students. Students will practice their skills in a practicum in the public schools. Practicum required. Prerequisite: Admission into the DSC Elementary Education program. 2 lecture hours and 2 practicum hours per week

7. Course justification (attach sheets if needed):

As we engage in the process for national accreditation of our program, we have reviewed all course descriptions and revised them to more accurately represent what is being taught, and to have a more consistent format. This course is a combination of two other courses- ELED 3501 and ELED 3600.
