6. Catalog Description: ☑ Now in Print, or ☐ Proposed Below:
Required for all Elementary Education students. An exploration of the technology available for instruction in elementary classrooms in a variety of subject areas. Also, students will develop proficiency in presentation software, online search techniques, and school-based grading programs. Some course instruction will be via technology (i.e. newsgroups, email) and will require a Power Point presentation as an evaluation of course learning. Preserve teachers will gain a working knowledge of how to use technology as an instructional support in their elementary classrooms. Prerequisite: Admission into the DSC Elementary Education program. 2 lecture hours per week.

7. Course justification (attach sheets if needed):
As we engage in the process for national accreditation of our program, we have reviewed all course descriptions and revised them to more accurately represent what is being taught, and to have a more consistent format.
