6. Catalog Description: [ ] Now in Print, or [X] Proposed Below:
   Required for all Secondary Education Teaching (SET) students. Education and academic content faculty will work together to ensure content knowledge and effective pedagogy are appropriate for secondary (7-12th) learning environments. Lecture, seminar discussion, and practicum experiences in local secondary schools are the modes of instruction for this course. Teacher candidates will develop lesson plans based on national and state standards that include subject matter, instructional methods, assessments, and analysis of student learning from their practicum experience. Can be substituted with an equivalent methods course in a specific content area. Practicum included.
   Prerequisite: Admission into the Secondary Education Teaching (SET) program. 2 lecture hours and 2 lab hours per week.

7. Course justification (attach sheets if needed):
   As we engage in the process for national accreditation of our program, we have reviewed all course descriptions and revised them to more accurately represent what is being taught, and to have a more consistent format.
