Course Revision

1. Course Title: Child Guidance Based on Developmental Theory
   Prefix & Num: FCS 2610

2. Pre-requisite(s): FCS1500 or FCS 2500, or PSY 1100 (can be concurrently enrolled)
   Instructor permission required: No
   Co-requisite(s):
   *LEC: 2.00  *LBC w/ cr: 0.00  *LNC w/ no cr: 2.00  Credits: 3.00
   Clinical: 0.00  Practicum: 0.00  Independent Study: 0.00

3. Semester to be Implemented: Spring, 2009
   Day ☑  Extended Day ☐  Grade type Regular

4. Cost Code: Lab Fee: $0.00  Additional Fees: $0.00  Potential WLF: 0.00

5. Is this course designed for a specific group? No
   Who?

6. Catalog Description: ☐ Now in Print, or ☑ Proposed Below:
   The Guidance course is part of the Associate Degrees in Early Childhood Education. The course uses DSC Preschool as a lab setting to apply principles of child guidance and discipline from currently accepted theories. Guidance is an interactive lecture course which uses varied strategies to study principles and concepts. Students completing Child Guidance will be ready to move on to the next courses in the Associates Degrees in Early Childhood Education. They also will find that this course transfers to all institutions of higher education in Utah. This course is also very valuable to parents, prospective parents, and educators. Prerequisites: FCS 1500 or FCS 2500 or PSY 1100 (can be concurrently enrolled in any of the prerequisite courses). 2 lecture and 2 lab hours per week.

7. Course justification (attach sheets if needed):
   This course already exists in the curriculum. We are proposing a slight change to the catalog course description and prerequisite, as well as restructuring the course to delete the separate lab course while embedding the lab as a no-credit experience within the class.

8. Are library resources adequate to support this change? No
   If not, how are those resources to be acquired?

9. Are technical and other resources available? Yes
   If not, how are those resources to be acquired?

   Practicum setting for the lab experience will take place in the DSC Preschool.

10. Relationship to the curriculum: Would the course fill a G.E. requirement? No
    If yes, which G.E. area?
    If it does not fill a G.E. requirement, would the course offer elective credit? Yes

11. Transferability of the course: List comparable courses at other colleges and universities:
