   **Who?** **ESOL students**

6. **Catalog Description:** ☐ Now in Print, or ☑ Proposed Below:
   
   This course focuses on the continued development of reading skills within academic content areas. Students use a variety of methods and materials to learn intermediate reading strategies and to improve comprehension. It expands students' vocabularies, improves dictionary skills, and increases skills in reading for information. The course will focus on the skills students need to be successful in college-level reading intensive courses as well as the skills needed to read for entertainment and general information.

7. **Course justification (attach sheets if needed):**
   In order to increase the presence of International Students on campus, we need a full-complement of courses for ESOL students in order to satisfy the requirements for enrollment and visa eligibility.

8. **Are library resources adequate to support this change?** No ☑
   If not, how are those resources to be acquired? **We will propose in our next budget cycle a comprehensive list of materials which need to be added to the library in order to best serve these students and courses.**

9. **Are technical and other resources available?** No ☑
   If not, how are those resources to be acquired? **We will propose in our next budget cycle a comprehensive list of technology materials and equipment which need to be added to our department in order to best serve these students and courses.**

10. **Relationship to the curriculum: Would the course fill a G.E. requirement?** No ☑
    If yes, which G.E. area?  If it does not fill a G.E. requirement, would the course offer elective credit? No ☑
