6. Catalog Description:  
   □ Now in Print, or ☑ Proposed Below:  
   This course is designed to help ESOL students develop advanced reading skills which are necessary for more rigorous academic work. Students will work on higher-level vocabulary development skills, dictionary skills, English usage skills, and comprehension skills. Students will also be exposed to study skills strategies related to reading in the academic content areas.

7. Course justification (attach sheets if needed):  
   In order to increase the presence of International Students on campus, we need a full-complement of courses for ESOL students in order to satisfy the requirements for enrollment and visa eligibility.

8. Are library resources adequate to support this change? **No**  
   If not, how are those resources to be acquired? **We will propose in our next budget cycle a comprehensive list of materials which need to be added to the library in order to best serve these students and courses.**

9. Are technical and other resources available? **No**  
   If not, how are those resources to be acquired? **We will propose in our next budget cycle a comprehensive list of technology materials and equipment which need to be added to our department in order to best serve these students and courses.**

10. Relationship to the curriculum: Would the course fill a G.E. requirement? **No**  
    If yes, which G.E. area?  
    If it does not fill a G.E. requirement, would the course offer elective credit? **No**
