COURSE OBJECTIVES:

- To provide music for DSC home football and home basketball (men's) games
- To improve performance and sight-reading skills among band members

GRADING POLICY:

For those taking this class for credit, grades are based upon attendance at rehearsals and games. Grade will be lowered by one letter if unexcused from a rehearsal, by two letter grades if unexcused from a game. To be excused from a rehearsal or game with no grade penalty, student must contact the director before hand if at all possible. The director has provided phone numbers and e-mail addresses for contact purposes. Director will determine if excuse is valid.

PAYMENT POLICY:

At this printing, the director is not sure how payment will be made, but each eligible player will receive \$50 per game. In order to be eligible for payment, band

members must attend a majority of rehearsals prior to each game. (Examples: If there are two rehearsals between games, at least 1 must be attended. If 3 rehearsals, 2 must be attended, etc.) The director will make every effort to inform band members about rehearsal attendance requirements for each game.

#### GAME DEPARTMENT AND UNIFORM:

Since band members are DSC representatives when performing at games, all members agree to abide by sportsmanship and conduct codes expected from DSC athletic participants. Red polo style shirts with the DSC Pep Band logo will be provided for all band members. Please keep the shirt looking good and wear it to all performances. At this printing, the director is not sure if shirts need to be returned at the end of the season, so assume that they will be, then if you get to keep them, it's a nice bonus.

#### MUSIC/TEXT BOOK REQUIREMENTS:

Music binders will be provided for each player for rehearsals and performances. If a student wants practice the music outside of rehearsal, binder must be checked out through the instructor. All music binders must be available for each rehearsal and performance.

#### DISABILITIES:

If you are a student with a medical, psychological, or learning disability or think you might have a disability and would like accommodations, contact the Disability Resource Center (652-7516) in the Student Services Center Room 201. The Disability Resource Center will determine eligibility based on your professional documentation and determine the appropriate accommodations related to your disability.
