*Programs offering degrees and/or certificates

**NWCCU full-scale accreditation. All self-studies must be completed by January 15, 2002

***Discipline accredited or seeking discipline accreditation

****If PEHR becomes a degree-offering program; if it doesn't, this plan recommends eliminating it from the Program Review Matrix

This matrix eliminates: Graphic Communication and Anthropology (and perhaps PEHR)

This matrix combines: Composition & Literature; Chemistry & Geology; FCS & Early Childhood Development; Engineering & Physics; Buysiness Administration & Economics; Criminal Justice & Sociology

This matrix separates: Psychology from Sociology and Criminal Justice

This matrix assumes: Theatre, Music and Criminal Justice will become degree programs by 2012
