

SPRING 2012 CIS/COMP ORIENTATIONS

January 9-12, 2011

Any students registered for CIS 1200 classes should attend an orientation as soon as possible during the first week of school. Live orientation sessions will be held in room 117 of the Smith Computer Center (SCC). The orientations will be held according to the schedule below. Please attend the earliest one possible. Call 652-7953 with questions. *If you are unable to attend any of the live orientations, please go to Canvas at www.dixie.edu and complete the orientation and the orientation quiz posted there (available starting January 7), then go to the Grading Station at the Smith Computer Center to complete some paperwork, find out what Group you are in, and get your folder (SCC open from 8 am to 8 pm). Plan 50 minutes for the orientation.*

To Test Out of CIS 1200, students must first complete an orientation, and then schedule an appointment to test out on Jan. 12 (Thur) or Jan. 17-19 (Tue-Thur only).
