

Dixie State College offers three medical plans through Public Employees Health Plan (PEHP). Preferred Care, Advantage Care, or Summit Care are the three PEHP plans available (visit [www.pehp.org](http://www.pehp.org) for complete information).

**PREFERRED CARE**

Preferred Care uses PEHP’s largest provider network that includes IHC and non-IHC facilities and providers. Non-preferred provider coverage is available at the same rare as preferred with the employee paying any remaining balance.

**ADVANTAGE CARE / SUMMIT CARE**

Advantage Care and Summit Care use a smaller provider network with Advantage Care primarily the IHC facilities and providers. Non-preferred provider coverage is not available – you must use a preferred provider.

**SEMI-MONTHLY EMPLOYEE PREMIUM RATES (PER PAY CHECK)**
