

# Dixie State College Intramural Rules and Regulations

As captain of (team name) \_\_\_\_\_, and as a condition of being entered into Dixie State College Intramurals, I agree that my team will abide by the following policies.

(Please initial each rule)

\_\_\_ My team and I understand the following eligibility rules for participation in Dixie State College Intramurals:

- A player must be a current student at Dixie State College (at least 3 credits)
- A player can only play on one team per sport.
- A player that does not play in at least one regular season game may not play in the tournament/playoffs even if that person was on your original roster.
- A player whose team is eliminated may not play on another team that is still playing.
- A DSC current collegiate player may not play the same sport in Intramurals.
- **Each player must show their student ID card every game or you won't be able to play.**

\_\_\_ My team and I will enter with and maintain the necessary number of legal and eligible participants on our roster to consistently field a team.

\_\_\_ No show forfeits are ground for immediate removal from further competition.

\_\_\_ I am responsible of informing **ALL** my teammates about the weekly schedule, playing rules, and player eligibility. All of my teammates will be aware of these rules even in my absence.

\_\_\_ My team and I acknowledge that the referees are not professionals, but fellow students. I/we accept that having amateur and inexperienced officials, there will be inconsistencies and/or discrepancies in their calls throughout the course of game or season.

\_\_\_ My team and I understand that participation in Intramurals Sports is a privilege and is for the enjoyment and to enhance a student's college experience. Mu team and I will respect each other, the opponents, and the intramurals staff.

\_\_\_ My team and I understand that the site supervisor or head official is the formal on-site authority and that they will have the final judgment call.

\_\_\_ I have thoroughly read this sheet and I will convey both the letter and the spirit of what is stated herein to the rest of my team. I/we agree to be held accountable for all provisions listed above and in the Intramural Handbook.

\_\_\_ I/we understand that the Intramural Director and staff can terminate our participation in Intramurals at any time for any reason deemed necessary by the Intramural Administration.
