Introduction. The Bachelor of Science Degree in Computer and Information Technology at Dixie State College of Utah is designed for students seeking a career in industry, academia or in research and development. The curriculum is interdisciplinary in nature consisting of courses offered through the visual technologies, information technologies, and computer science departments.

Job Outlook. This degree will prepare you for careers in system administration, programming, multimedia development, user interface design, web design, graphics development and electronic commerce development.

The degree is built on a strong combination of computer science, information technologies and visual technologies. The Center of Excellence provides an excellent base to further support a bachelor level program providing an outstanding opportunity for student involvement with industry and leading-edge technologies.

Application Procedure. Applications for advanced standing may be completed with the computer and information technology (CIT) program advisor:

Shari Gowers
Udvar-Hazy School of Business #347
Dixie State College of Utah
225 South 700 East, St. George, UT 84770
(435) 652-7745
Appointments: <http://cactus.dixie.edu/gowers/viewweek.asp>

All applications for acceptance should be received by the program advisor at least four weeks prior to the beginning of the semester in order to have them processed in time to register.

For acceptance in the CIT baccalaureate degree program you must:

Complete the following courses with a minimum grade of C-, a CIT GPA of at least 2.5 plus an overall GPA of at least 2.0:

Pre-CIT with General Emphasis:

CS 1400	Fundamentals of Programming
VT 1300	Communication Design

Pre-CIT with Computer Science Emphasis:

CS 1400	Fundamentals of Programming
CS 1410	Object-Oriented Programming

Pre-CIT with Information Technology Emphasis:

IT 1100	Introduction to Operating Systems
IT 2400	Introduction to Networking

Pre-Cit with Visual Technologies Emphasis:

VT 1300	Communication Design
VT 1400	Intro to Internet Development

File an application for advanced standing with the CIT advisor during the semester when the prerequisite courses listed above are being completed. Conditional acceptance may be granted at that time if remaining prerequisite classes can be completed during the semester of conditional acceptance. If the student does not complete the remaining credits successfully to comply with the 2.5 minimum GPA requirement, acceptance may be revoked.

Transfer students must also make sure that **ALL** transcripts, (official copies) have been sent to the registrar's office at Dixie State College of Utah.

The application criteria listed above **DO NOT GUARANTEE ACCEPTANCE**, but are indicative of the minimum qualifications of students seeking acceptance to the Computer and Information Technology Baccalaureate Degree program.

Grade Standards: A grade of C- or better and a minimum GPA of 2.5 must be maintained on the CIT (CS, IT and VT) courses. An overall GPA of at least 2.0 is also required.
