1. Course Title: Life Science Internship I

2. Pre-requisite(s): Junior or Senior standing and permission from biology department chair and faculty advisor

   - Instructors permission required: Yes
   - Co-requisite(s):
     * LEC: 0.00
     * LBC w/cr: 0.00
     * LNC w/no cr: 0.00
     Credits: 1-8

   - Clinical: 0.00
   - Practicum: 1-8
   - Independent Study: 0.00

3. Semester to be Implemented: Fall, 2008
   - Day: X
   - Extended Day: □
   - Grade type: Regular

4. Cost Code: NAT 101
   - Lab Fee: $0.00
   - Additional Fees: $0.00
   - Potential WLF: 0.00

5. Is this course designed for a specific group? Yes
   Who? Biology majors and those in the integrated studies program

6. Catalog Description: □ Now in Print, or □ Proposed Below:

   For students who are granted and accept an internship with the government, a nonprofit agency, private agency, or approved employer that provides an extensive learning experience in the field of biology. Through arrangements with the department chair, a student may earn up to 8 credits per semester for satisfactory completion of terms of the internship. Student must be supervised by an agency representative and a faculty advisor. Written contracts must be completed and signed. (Note: No more than 4 credits in any combination of internship, independent study, and senior thesis can count toward degree requirements for the B.S. degree.)

7. Course justification (attach sheets if needed):

   There is a need for an upper-division internship course in the biological sciences.

8. Are library resources adequate to support this change? Yes
   If not, how are those resources to be acquired?

9. Are technical and other resources available? Yes
   If not, how are those resources to be acquired?

10. Relationship to the curriculum: Would the course fill a G.E. requirement? No
    If yes, which G.E. area? If it does not fill a G.E. requirement, would the course offer elective credit? Yes

11. Transferability of the course: List comparable courses at other colleges and universities:
