To be arranged between faculty member and student

In this advanced Spanish course we will look at a wide variety of issues that affect the lives of Hispanics living in the United States: immigration law, ESL, education, health issues, discrimination, employment, religion, etc. Students will be able to become familiar first hand with these issues working on volunteer projects in a variety of settings such as public schools, hospitals and health clinics, legal service offices, and minority civic centers. Students will do work on a volunteer basis (not for pay) in an area that will be linguistically challenging and therefore will show a gain in Spanish language skills. This course will also increase cultural awareness and heightened sensitivity for immigrant issues. Prerequisite: Span 3060. Average of 1 lecture hour per week plus service hours at a rate of 2 hours per credit per week.
