5. Is this course designed for a specific group? Yes
   Who? Students in elementary education program.

6. Catalog Description: [ ] Now in Print, or [ ] Proposed Below:
   For education majors. Prepares preservice teachers to integrate movement as well as physical education instruction into their classrooms. Units, lessons, and strategies for organizing such curricula are developed. Students teach components of the curriculum they develop to elementary children. Preservice teachers gain experience in implementing aspects of dance, movement, drama, and P.E. in elementary classrooms. [ ] Prerequisite: Admission to Dixie State College Elementary Education program. 2 lecture hours per week. Practicum required.

7. Course justification (attach sheets if needed):
   We recently approved ELED 3500 with a course description change and changed the name of the course to accommodate changes in licensing. We needed to combine two 2-credit courses into one 3-credit class. But we still need the old version for a couple of semesters for our students already in our existing program. So it was recommended in the last curriculum council that we make the old version ELED 3501 and keep the new version at ELED 3500 in order to make it easier to delete the old version when we are finished with it.

8. Are library resources adequate to support this change? Yes
   If not, how are those resources to be acquired?

9. Are technical and other resources available? Yes
   If not, how are those resources to be acquired?

10. Relationship to the curriculum: Would the course fill a G.E. requirement? No
    If yes, which G.E. area?
    If it does not fill a G.E. requirement, would the course offer elective credit? No

11. Transferability of the course: List comparable courses at other colleges and universities:
