### Catalog Description
For art students and others interested in color. Explores various color theories and their interpretation and application in visual arts and design media, as well as color interaction, applied color skills, optical phenomena, and development of the creative process. Fulfills prerequisite to ART 3430. (Even)

### Course Rotation:
Fall (even) (every)

### Justification for course/change:
Increased fees for the course to pay for materials and equipment. Corrected the course rotation to fall even, and removed it as a preface to ART 3430.
