Catalog Description
Foundation course required for those interested in a Health Communication emphasis within Human Communication. Open to all majors preparing for health and wellness careers. An examination of effective theories, frameworks, techniques and interventions used to develop effective communication between health and wellness providers and their patients.

Course Rotation: Fall (every)
Justification for course/change: A new health communication emphasis is being added to the Human Communication degree which will align with the strategic direction of the university as well as support other programs like Health Promotion.

1.4.16 Note: Course number changed from 3170 to 3180 due to duplicate number. DR

Library Resources Adequate: Yes
Tech Resources Adequate: Yes
