5. Is this course designed for a specific group? Yes Who? Psychology majors

6. Catalog Description: □ Now in Print, or □ Proposed Below:
   As a capstone, this course requires students to consolidate the information and skills learned throughout their undergraduate studies, especially in the psychology core and research area courses. Students will be required to use their knowledge and skills to conduct independent research to further develop and consolidate their understanding of psychology as a science. Prerequisites: Psychology major and senior standing. 3 lecture hours per week.

7. Course justification (attach sheets if needed):
   This is a core requirement in our four-year psychology program, and is in line with courses taught in other Utah universities.

8. Are library resources adequate to support this change? Yes If not, how are those resources to be acquired?

9. Are technical and other resources available? Yes If not, how are those resources to be acquired?

10. Relationship to the curriculum: Would the course fill a G.E. requirement? No If yes, which G.E. area? If it does not fill a G.E. requirement, would the course offer elective credit? Yes
