6. Catalog Description:
   ☐ Now in Print, or ☒ Proposed Below:
   This course examines the criminal justice system, police, courts and corrections, and related government functions and agencies. It identifies and explores ethical problems, issues and trends in criminal justice. It uses a variety of teaching methods, including lecture, videos, guest lecturers and assigned text study.

7. Course justification (attach sheets if needed):
   If the criminal justice system is to work efficiently, those involved in the system must understand the appropriate ethical code that must be followed. Law enforcement professionals need to learn not only the ethical code but also to effectively apply it from investigation through incarceration and later probationary release.
