COURSE REQUIREMENTS:
1. Access to a Windows PC compatible computer is required for this course!

COURSE DESCRIPTION:
This course is designed to provide Accounting students with an experiential learning environment that will place them in real-life, tax accounting practice settings similar to post-graduation employment. Students will use leading tax preparation software to provide analysis and review for the VITA (Volunteer Income Tax Assistance) program.

Prerequisites: ACCT 4440 is only available with instructor permission. Minimum prerequisites include receiving a “B” or better in ACCT 3440 and an invitation from an accounting professor teaching ACCT 3440 or ACCT 4440.

COURSE OBJECTIVES: Students successfully completing this course will be required to:

(1) Successfully complete all of the VITA certification exams.
(2) Participate in a series of complex tax analysis and planning training sessions.
(3) Participate in a series of income tax review training sessions.
(4) Successfully review a variety of income tax returns, prepared by ACCT 3440 students, in order to properly process the tax returns through the IRS e-file system.

EXAMS:
The VITA certification exams are open-book assessment events that are deployed in an internet-based, password-protected domain. I highly recommend that you solve the paper versions of each certification exam before attempting to solve them online.

PARTICIPATION/PROFESSIONALISM/COURSE ATTENDANCE:
This is your education. Take ownership of your educational investment by contributing in a positive manner in the training sessions and VITA program learning environment. Participation shows the professor your concern for the subject matter and will directly affect your overall grade in this class. Disruptive or disrespectful behavior will cause students to lose all participation points. If a student does not show respect, maturity and professionalism in the learning environment, he or she will most likely struggle in a post-academic environment.

Remember you are an ambassador representing the Dixie State College Accounting Program!

Your attendance is required in this course. Role will be taken at every event, and students will lose ½ % of their grade for each date he or she is tardy or absent. Additionally, students who are inattentive will suffer in this area. If any electronic device disrupts the class or VITA program experience, that person responsible will provide a substantial time-appropriate treat for the professor and class peers at the next scheduled meeting.
GRADING:
Grading is not on a curve. Your grade will be based on the percentages earned as listed below. There are NO grade improvement projects available in this class!
