6. Catalog Description: [ ] Now in Print, or [X] Proposed Below:
   Clinical application of expanded duties for the dental hygienist. These duties include anesthesia, placing and removing rubber dams; matrix and wedge; placing bases and liners; placing, carving, and finishing amalgam restorations; placing and finishing tooth-colored restorations; placing temporary restorations; and four-handed dentistry.

7. Course justification (attach sheets if needed):
   DSC DH program needs to stay current in the education for our students to address the dental practice acts in the nation. There are many states increasing the expanded duties of a dental hygienist. This course will allow us to address those skills needed to take the licensing exams for those states.

8. Are library resources adequate to support this change? Yes If not, how are those resources to be acquired?

9. Are technical and other resources available? Yes If not, how are those resources to be acquired?

10. Relationship to the curriculum: Would the course fill a G.E. requirement? No If yes, which G.E. area? If it does not fill a G.E. requirement, would the course offer elective credit? Yes
