6. Catalog Description: [ ] Now in Print, or [X] Proposed Below:
   This course if offered to post-graduate dental hygienists awaiting their opportunity to take their choice of a Clinical Board Exam or current DH students needing more clinic time and experience to complete clinical requirements. This class provides 45 hours of supervised clinical time per credit in maintaining and/or improving a graduate’s dental hygiene skills. Permission granted for course on an as needed basis by the Dental Hygiene Program Director. 3 clinical hours per week.

7. Course justification (attach sheets if needed):
   Some DH students not completing all clinical competencies or requirements for graduation or may not pass a licensing board exam and need additional clinical remediation or practice before taking board exams. If a student does not pass a clinical board exam more than twice, 40 hours of clinic remediation is required in order to be eligible to take licensing exam again. This class will give student the addition practice time on patients in the DH clinic in order to complete remediation.
