Catalog Prerequisites? Yes

Catalog Prerequisites:
EMS 1100 and Instructor permission.

Grade Required on Prerequisite(s): N/A

Corequisites? No

Course/Lab Fee? Yes

Course/Lab Fee Amount: $310

Fee Deposit Index Code: HEA304

Fee Justification:
To offset certificate costs. $300 goes to course/lab fee HEA 304 and $10 goes to certificate fee ATE 305.

Instruction Index Code: HEA102

GE Status Requested: No

Catalog Description
Includes basic knowledge and skills necessary to provide basic and limited advanced patient care and transportation. Includes interventions with basic and advanced equipment typically found in an ambulance, IV insertion, medication administration, advanced airway management, and advanced cardiac resuscitation procedures with the goal of producing competent entry level A-EMTs to serve in career and volunteer positions within the EMS system. Includes 160 hours of lecture, practical lab skills, and clinical rotation hours. Course Fee required.

Course Rotation:
Spring (every)

Justification for course/change:
Offset cost of certificates.

Library Resources Adequate: Yes

Tech Resources Adequate: Yes
Course Learning Outcomes:

How do your Course Learning Outcomes align to your Program Learning Outcomes?

Schedule of lesson activities that meet Course Learning Outcomes

Assessment activities that provide evidence of student learning

Course Reviewer Comments

**lee_s (01/15/15 10:22 pm):** Rollback: slee: please add "course fee required. at the end of the description.

**lee_s (01/20/15 12:06 pm):** Rollback: slee: You have Lecture/Lab/Clinical as schedule type. It should be LEL/Clinical. LEL is combined lecture/lab for 10 WLF. you can split the workload in the workload processes. Please change this.

**lee_s (01/20/15 3:24 pm):** Rollback: slee: LBC/LEC now goes to LEL (combined lec/lab,or separate the lab into its own number again for 10 crs.). Also, you do not have instructor permission marked, yet you indicate in the prereq that its an "AND instructor permission." I think you need to make Instructor Permission a yes.
