Spring (every)

Justification for course/change: Fee increase. Please see justification noted above.

PLEASE NOTE: COURSE IS A COMBINATION OF LECTURE AND LAB. LEC/LAB
LECTURE HOURS: 2
LAB HOURS: 2

Library Resources Adequate: Yes
Tech Resources Adequate: Yes

Course Learning Outcomes:

Course Reviewer Comments

**d Wade (02/12/15 5:55 pm):** Rollback: Carole, I had to reset the workflow on this course. Your changes will remain intact but you will need to resubmit. thx DW

**lee_s (02/25/15 8:54 pm):** Rollback: slee: Does this course have the right schedule type? You say its a lecture, but the description indicates there's a lab portion to the course. Should this be a LEL (combined lec/lab)? If so, would it be 2 hrs of lec and 2 hrs of lab?

**D00286741 (08/27/15 6:09 pm):** Rollback: Please disregard this email. I need to reset course to the beginning of the workflow, sorry for the inconvenience, David Wade.

**D00002376 (09/09/15 5:15 pm):** slee: if this is a lec/lab course, the schedule type should then be an LEL (Lecture/lab combination) rather than a LEL (Lecture), AND must be scheduled for 4 hrs (200 minutes) per week in the schedules.

**D00002376 (09/09/15 5:16 pm):** Rollback: Lec/Lab combo should be LEL schedule type, not LEL, and the workload will change to 3.5 credits.

**D00002376 (09/09/15 5:17 pm):** slee: also, workload will need to be changed to 3.5 credits for 4 contacts per week (2 in lecture = 2.0 WLF; 2 in labs = .75x2=1.5 for a total of 3.5 credits).

**D00002376 (09/16/15 10:31 pm):** Rollback: slee: I see that this form has been rolled back 4
times to make corrections. They have not been made. Are you saying this form is as you want it? If so, just roll it forward again.

**D00189692 (09/17/15 9:58 am)**: Rollback: See comments below:dwade (02/12/15 5:55 pm): Rollback: Carole, I had to reset the workflow on this course. **D00189692 (09/18/15 11:48 am)**: Rollback: The course type still says Lecture. Please change LEC to LEL (lecture with lab)Thank you.

**D00002376 (09/21/15 11:19 am)**: slee: Workload still hasn't been changed. Please see my notes from previous entry and make determination if workload changes or stays the same. Thanks.
