D00221700 (09/08/15 3:06 pm): Rollback: Banner is showing this course has a fee. If this is correct we need to make sure this form has the fee listed even though it's not being changed. If not the system will kick it back to us.

D00002376 (09/09/15 5:25 pm): slee: Fee amount. do not use $ signs or decimals. Just enter the amount as 60. If it had an odd number with cents (60.50), then use the decimal--but no dollar signs/no cents if its an even number.

D00002376 (09/09/15 5:26 pm): Rollback: fee amount. No dollar signs/no decimals for cents. Enter plain amount as 60. If it is an uneven number, like 60.50, then add the decimal, but no dollar signs.

D00002376 (09/17/15 3:51 pm): Rollback: slee: I'm questioning the contact hrs per week vs. workload and credits allowed. Can you check and make sure that is correct?
