**Catalog Description:** Required of students pursuing School of Business degrees or emphases. Introduction to basic statistical reasoning, including data distributions, descriptive statistics, probability and probability distributions, and sampling distributions, as well as inferential methods such as tests of hypotheses, analysis of variance, "Goodness of Fit", and regression.

**Course Rotation:**
- Fall (every)
- Spring (every)
- Summer (every)

**Justification for course/change:** Based on content covered and norms in other USHE schools, STAT 2040 will be reduced from 4 credits to 3 credits.

**Library Resources Adequate:** Yes

**Tech Resources Adequate:** Yes

**Course Learning Outcomes:**

**Course Reviewer** D00002376 (12/18/15 11:18 am): Rollback: Is this course an individualized instruction course
or a lecture? If its a lecture, why 4 hrs/wk contact? should it be 3?

D00002376 (12/22/15 10:48 am): Rollback: schedule type is listed as "Individualized instruction." My guess is its supposed to be a lecture. If so, this needs to be changed on this form.
